

## What's New at Galloup?

The last year was a very exciting year of change for the Galloup Fire Protection Division.

- We opened a complete Fire Protection Fabrication Shop in our Grand Rapids Facility
- Added a Moffett All-Terrain Lift Truck to our Delivery Fleet to save you money in unloading and material handling at the job site.
- Added an additional semi to our fleet to move materials faster and more effectively.
- Became a Master Distributor of Tyco Grooved Products to compliment our Tyco Heads and Devices
- Opened a new full service warehouse in Toledo, OH

## Tyco and Galloup - The Winning Combination

- Large local inventories, backed up by large regional inventories
- Competitive pricing
- On-time delivery
- Technical Expertise

**Depend on Galloup and Tyco to meet your needs!**
