

Are all Process Gauges Equal?

You should choose your process gauges, like you choose your friends, by what's on the inside!

- ✓ Ashcroft® 1200 Series pressure gauges protect your people and your process with the heaviest duty bourdon tubes available.
- ✓ 10 year warranty on the gauge tube is un-rivaled in the industry!
- ✓ Optional Duragauge ®*PLUS!* Patented movement technology dampens pointer flutter in pulsating and vibrating applications—without the hassles and problems of liquid filling.
