ARMSTRONG INTERNATIONAL, INC.

Steam traps, pressure regulators, pressure powered pumps, hot water systems, humidification, and condensate recovery. Training and survey services to maximize energy conservation. www.armstrong-intl.com

ASCO NUMATICS

2, 3 and 4-way solenoid valves. AC and DC with complete voltage selection. Brass, aluminum, and stainless construction for all process applications. Pressure and temperature switches. www.ascovalve.com

ASHCROFT

Gauges, thermometers, pressure, differential pressure, and temperature switches, transducers and transmitters. Test and calibration equipment and seals. www.ashcroft.com

BELL & GOSSETT

Pumps - circulators, in-line, base mounted, sump, and effluent. Heat transfer products, valves, and packages systems. www.bellgossett.com

B-LINE (EATON)

Manufacturer of support systems, including conventional pipe hangers, seismic hangers, strut, cable trays, and rooftop piping devices. www.b-line.com

BRISKHEAT

For over 65 years, BriskHeat has offered the widest variety of flexible surface heaters, heating cables, temperature controls, and insulators world-wide. Our core heating element technology is extremely durable and flexible making it suitable for a wide range of heating applications. www.briskheat.com

CRANE - EDLON LINED PIPING SYSTEMS

Plastic-lined pipe, fittings, dip tubes, spargers, valves, and expansion joints PTFE, PFA, FTFE, PVDF, ECTFE, PP, PE and ultra-pure systems. www.crane-psi.com

FELKER BROTHERS

Domestic stainless steel provider of tubing, pipe, and fittings serving both the process and paper industry meeting ASTM specifications: A778, A312, A269, A776, A403 and A774. www.felkerbros.com

GARLOCK SEALING TECHNOLOGY

Compression packing, sheet gasketing, spiral wound gaskets, graphonic gaskets, expansion joints, mechanical seals, and special cut gaskets and textiles. www.garlock.net

GEORG FISCHER/SIGNET INDUSTRIAL PLASTICS AND INSTRUMENTATION

Thermoplastic pipe, valves, fittings, double containment, acid waste, high purity, chilled piping systems, Signet flow, and analytical instrumentation. www.gfps.com

ITT ENGINEERED VALVES

Fabri-Valve knife gate and special fabricated valves. Dia-Flo diaphragm valves, Pure-Flo High Purity diaphragm valves. Richter lined ball, butterfly, sample, and relief valves. Cam-Line lined ball valves. Cam-Tite top entry severe service valves. www.engvalves.com

MILWAUKEE VALVE

Bronze and iron gate, globe and checks, resilient seated butterfly valves, bronze and stainless ball valves, cast steel gates, and checks. www.milwaukeevalve.com

NELES-JAMESBURY

Polymeric seated ball valves for process and utility service. Wafersphere high performance butterfly valves, ANSI 150-300-600 rated. Pneumatic and electric actuators, and smart automation products. Single source automation solution provider. Metal seated ball and butterfly valves, segmented rotary control valves, and rotary globe control valves. www.jamesbury.com

PBM VALVE SOLUTIONS

Two way and multi-port ball valves, stainless, carbon, brass, and other alloys. Sanitary specialty, flush tank, fire test, cylindrical flush tank, cavity free, spray, transmitter isolation, and v-ball control valves. www.pbmvalve.com

PLAST-O-MATIC VALVES

Manufacturer of thermoplastic valves and controls. Quality engineered for corrosive and ultra pure liquids. www.plastomatic.com

SPEARS MANUFACTURING COMPANY

Thermoplastic ball, butterfly, gate, check, and diaphragm valves, strainers, filters, and basket strainers. www.spears.com

WAUKESHA CHERRY-BURRELL

Fittings, valves and pumps for the sanitary process industry. Bio-pharmaceutical products with finishes to your specification, including electro-polish to 10 RA. Ice cream machines and heat exchangers. www.gowcb.com

VIEGA

The world leader in press fitting technology. ProPress, ProPressG, Pureflow/Pex, and ProPress Stainless Steel. www.viega.com
